## **Your Dental Plan Options**

#### **Prepaid Plans**

DeltaCare USA and SafeGuard

Prepaid plans provide services through member dentists throughout California. (These plans are not available outside of California.)

Monthly premiums are fully paid by the State. You have no monthly premiums, deductibles, or maximum annual benefit limits. Many services are provided at low or no cost to you. You may change dentists upon request and/or change plans if you move and your plan is no longer available. If you need emergency dental work and are outside of your service area (50 miles from your residence), you may go to any dentist for the relief of pain and be reimbursed up to \$400 per calendar year. For more information or a list of member dentists, contact the plans at: DeltaCare USA 1-800-422-4234, or visit <a href="www.deltadentalca.org">www.deltadentalca.org</a> and SafeGuard 1-800-880-1800 or visit <a href="www.safeguard.net">www.safeguard.net</a>.

### **Indemnity Plan**

Delta Dental Premier - Group #9949

Delta Premier features full access to specialty care and guaranteed benefits through member dentists. However, you can see any dentist worldwide and still be covered, although your out-of-pocket costs may be higher. For more information, contact Delta Dental at 1-800-225-3368 or visit <a href="https://www.deltadentalca.org/state">www.deltadentalca.org/state</a>.

### **Preferred Provider Option Plan**

Delta Dental Preferred Provider Option (PPO) - Group #9946

Delta Preferred Provider Option (PPO) provides services through its network of participating dentists, although you may use non-PPO dentists worldwide. If you receive services outside of the PPO network, your out-of-pocket costs will be substantially higher. Please note that not all Delta Premier dentists are members of the PPO network; however, you can see the Delta dentist of your choice and still be covered.

As a reminder of certain advantages in being enrolled in the PPO dental plan, your treatment costs are based on a discounted fee agreement between Delta and the PPO provider. This fee agreement will result in lower out-of-pocket costs to you when you visit a PPO network dentist. Additionally, for rank and file employees, the annual maximum benefit available to dependents is \$2,000 when using a dentist who's a member of the PPO network, compared to a \$1,000 yearly maximum under Delta Premier. PPO offers a \$2,500 lifetime benefit for dental implants and a third cleaning for high-risk patients. Generally, high-risk patients include pregnant women, cancer chemotherapy patients, and persons with compromising systemic diseases such as diabetes, AIDS, or endocarditis, and persons who have had organ transplants. Your present dentist may be a PPO provider so you may want to change your coverage to the PPO to take advantage of this richer benefit.

For more information, contact Delta Dental at 1-800-225-3368 or visit www.deltadentalca.org/state.

These are brief descriptions of the available dental plans. Please consult each plan's "Evidence of Coverage" brochure or call the plan for a more detailed explanation.
